

Tim Mannion
Territory Manager
Prior Lake

Tim is an energetic sales professional with years of experience in telecommunications, managed services, workforce management and business development for Fortune 500 companies as well as small and start-up organizations. The success he has helped clients build has been created through developing strong relationships, built on a foundation of trust. He strives to deliver unique and relevant solutions to his clients.

Prior to joining Nuvera, Tim supported clients through his work with Allstream, Marco, CenturyLink Business and more. His vast business experience includes Software Defined WAN, Security, Disaster Recovery, Cloud Computing, Enterprise Architecture, Data Analytics, Emerging Technologies, Mitel, Cisco, Meraki, Inventory Management, Supply Chain, Salesforce, and O365. Tim enjoys the challenge of working with his clients to drive quality, mitigate risk, generate cost savings, and streamline processes to strengthen overall operations.

As a Territory Manager, Tim will work with area companies to facilitate their communications needs including hosted data services, business Internet, IT and network consulting, voice and more.
