

Ryan Lohman

Territory Sales Manager
New Ulm

Ryan worked as a sales associate for Nuvera before expanding into his position as a territory manager. As such, he has a deep understanding of Nuvera's systems and services – a sharp knowledge his customers have come to appreciate. Ryan thrives on the ability to bring his expertise in the field of technology to his clients.

Ryan enjoys being the consultant that businesses can trust to find the best solutions and services for them. He works with clients on network security, firewalls, Office 365, Cisco, Meraki, cloud computer and other emerging technologies. He is passionate about helping customers make the best use of their technology for the benefit of their growing business.

As a Territory Manager, Ryan works with area companies to facilitate their communications needs including hosted services, business Internet, IT and network consulting, voice and more.
