

Bonnie Jensen

Territory Manager
Hutchinson

Bonnie has more than 20 years of experience in the telecommunications industry, starting with Hutchinson Telephone Company, which then became NU-Telecom, which then became Nuvera. Bonnie's strengths lie in relationship building, and she is passionate about helping others, something her clients have come to appreciate.

Bonnie is proficient in managing complex systems to benefit her clients, such as the City of Hutchinson's account and phone system, which resides in multiple locations. Problem solving and ensuring that her customers can run their operations effectively and efficiently is a top priority for Bonnie.

As a Territory Manager, Bonnie works with area companies to facilitate their communications needs including hosted services, business Internet, IT and network consulting, voice and more. Bonnie takes great pride in partnering with her clients, giving great care and attention to each one's unique needs.
