Brian Stark

Territory Manager

Hutchinson, Litchfield, Glencoe,
and Cologne

Brian has a talent for working with companies large and small to determine their Internet and managed service needs, and then to ensure they have the tools necessary to guide them to success.

In addition to his 8+ years at Nuvera, Brian has more than 30 years of successful experience supporting the needs of customers in various industries across the upper Midwest. During his tenure at Nuvera, Brian's knowledge of managed services, Internet, voice services and more has developed to a level of professionalism that benefits all his customers as he works to find the best solutions to their challenges.

As a Territory Manager, Brian works with companies to facilitate their communications requirements including hosted services, business Internet, IT and network consulting, voice and more. Brian is known to be excellent at maintaining good communications and relationships with his customers. Organization and a friendly personality are just a couple of the gifts Brian possesses when it comes to making his customers' experiences remarkable.
