Dan Shea

Territory Manager
Prior Lake

Dan is an accomplished and focused expert with 25 years of experience in hardware, software, services and consulting. Dan prides himself on his proven ability to design, propose, and manage multi-tiered and multi-year technology projects. It's a skill his clients have come to rely on, especially those with more complicated requirements.

Prior to joining Nuvera in 2020, Dan honed his expertise at several technology companies across the upper Midwest including Fishtech Group, SHI International Corp. and Fishnet Security.

As a Territory Manager, Dan works with area companies to facilitate their communications needs including hosted services, business Internet, IT and network consulting, voice and more. Between Dan's technological expertise and his enthusiasm for problem solving, he has a talent for finding just the right solution for each individual clients' needs.
