

Jonathan Bleick

Territory Manager

New Ulm and Redwood Falls

Jon brings a wealth of knowledge of the business community across the region to his new position. He is an enthusiastic expert with more than two decades of project management and customer relations experience.

Jon comes to Nuvera from SpecSys, Inc. and Windings Inc., prior to that. He is trained in Sales Management and Marketing with continuing education in Program Management, LEAN and Six-Sigma initiatives and events. He has a strong background in business development and management. His strengths lie in relationship building, project management and solving problems.

As a Territory Manager, Jon will work with area companies to facilitate their communications needs including hosted services, business Internet, IT and network consulting, voice, and more. Jon has a passion for creating authentic relationships and working with customers to help them optimize and grow their business.
