

Michael Burnham

Territory Manager

Prior Lake and New Ulm

Mike is a knowledgeable team member with a track record spanning more than three decades of working with companies to provide just the right communications services to enhance and support their business.

Throughout Mike's work with businesses across the upper Midwest, it has been his goal to help the customer achieve their communication and budgetary goals, providing solutions that are tailored to fit their needs.

Prior to joining Nuvera, Mike worked with Mediacom and Frontier Communications. With this varied experience under his belt, Mike possesses a vast and comprehensive knowledge of the communications industry. He is enthusiastic about putting that experience to work for every business partner in his territory. Mike holds core competencies in customer needs analysis, service delivery and post-sales support.

As a Territory Manager, Mike will work with area companies to facilitate their communications needs including hosted data services, business Internet, IT and network consulting, voice and more.
