Tuan Vu

Territory Sales Manager
Prior Lake

Tuan has a strong background in IT and managed services. He has over 10 years in the IT industry and is extremely knowledgeable when it comes to PCs, servers, networking, and telephony. He has helped many large clients with their technology needs and prides himself on his 'customer first' mentality.

Prior to joining Nuvera, Tuan worked for three small family-owned businesses in the Twin Cities area that specialize in PCs, networking hardware, and managed IT Services. With his considerable experience in the information technology industry, Tuan is proficient at helping clients meet their communications needs. His clients have come to rely on him to help them improve critical connections to their customers.

As a Territory Manager, Tuan works with area companies to facilitate their communications needs including hosted services, business Internet, IT and network consulting, voice and more.
