

Wade Halvorson
Territory Manager
Prior Lake

Wade is extremely knowledgeable when it comes to managed information technology, phone systems and Internet. He has been a valued member of the Nuvera team since 2018 and prior to that, grew his expertise with several respected technology companies throughout the southern Twin Cities metro area such as All State owned by Arvig, Black Box Network Service, Advanced Wireworks and Bailiwick.

With his considerable experience in the information technology industry, Wade is proficient at helping clients meet their communications needs. He specializes in determining solutions that will best benefit his customers while also meeting budgetary constraints. His clients have come to rely on him to help them improve critical connections to their customers.

As a Territory Manager, Wade works with area companies to facilitate their communications needs including hosted services, business Internet, IT and network consulting, voice and more. Wade prides himself on supporting his clients with great problem-solving skills and the ability to identify the systems and technology that will improve their bottom line.
